## *From the Bishop*

I enjoy living in a part of the country that actually has four different seasons. Each one has its own joys as well as challenges. Fall is my favorite (hunting season), followed by summer, winter and then spring. I think spring is always last because, as a youngster, I was always getting in trouble for coming home covered in mud. That brings to mind something else. One of the tools we use in the Pastoral Assessment Center is the Grip-Berkman spiritual gifts and leadership style assessment. One of the many charts produced in that report deals with your areas of interest. If you score anything over 90 it is very important to your health and wellbeing. Interestingly, the only area that I score in that range is the outdoors!

That may explain my current emotional state which may be described as approaching "cabin fever". It seems like it's been too long since I've been outside. I want to get my bike out and find a rails-to-trails, or load the kayak on my truck and paddle around a lake. I want to go outside! I think a lot of people can identify with that. By the end of February and the beginning of March we're ready to get out and do something or anything. They say it's one of the reasons the "Great American Outdoor Show" is scheduled for this time of the year. The show, held in the Pennsylvania Farm Show complex is billed as the largest consumer sports and outdoor show in the world. It has over 1,000 exhibitors ranging from shooting manufacturing to outfitters to fishing boats and RV's, and archery to

art covering 650,000 square feet of exhibit hall space. I must admit, I'm not exactly sure why outdoors men and women have to pay money to get inside a giant building in order to get relief from cabin fever; but it works!

So what does this have to do with the EC churches and leaders? I have to say that there are times when I pray for the Lord to give his people cabin fever—to yearn to get outside our church buildings and impact our communities with the Good News about Jesus. I've said it before, for too long our strategy has been for the people in the church ("in here") to get the people "out there" to come "in here". We have proven that doesn't work! What Jesus said was that we are to "go and make disciples"; the church is to get "out there". So please join me in doing two things: (1) Pray for the Lord, through his Holy Spirit, to give the EC Church a case of holy "cabin fever"; a yearning to get outside the walls of the church; (2) Listen to the Spirit when He speaks and get outside and get dirty for God!

In Christ's service,

## Bishop's Top Ten Prayer & Praise

1. Please keep praying for the going work of two VERY important denominational committees: the Stationing Committee as they seek the Lord's leading for opportunities for both pastors and churches to "fit and flourish"; for the Lord's clear leading for the deliberations and recommendations of the Covenant Implementation Team.
2. Pray for the work of the National Ministry Team as they meet this month and hear updates on a number of issues and review the last of the proposed amendments to the Discipline in preparation for National Conference.
3. Pray with me for the Calvary EC Church, Hooppole, IL and for the family as they deal with the loss of Pastor David Bailey who was suddenly called home to be with the Lord on January 27.
4. Pray for all our congregations as we begin to observe Lent and focus on the passion and death of Jesus as well as the exciting resurrection of Jesus on Easter Sunday, April 5.
5. There's still snow on the ground in Myerstown as I write this, but all three of our camping ministries are beginning to get ready for the summer camping season; pray for them as they hire staff and finalize programming.
6. Praise the Lord for many of our pastors and congregations who are thinking and praying for ways to include fresh expressions of church in their ministries.
7. Gloria and I are going to two concerts this month; praise the Lord for the joy that hearing all kinds of good music brings; the way it touches us and lifts our hearts.
8. I am scheduled to speak at a graduation event for a group of prison inmates who are involved in a discipleship ministry. Praise God that prison gates cannot keep out the Good News about Jesus!
9. Join me in thanking the Lord for the members of the Episcopacy Committee who provide wise counsel and encouragement to me; and yes, even needed accountability (especially in the area of my schedule.) Speaking of schedules...
10. Thank the Lord that as I move toward the end of my fourth year as Bishop, Gloria and I have had the opportunity to visit most of our congregations. (If you haven't invited me to your church yet, and I have a list, please give me a call to schedule me for this summer or fall.)

## PRE-CONFERENCE MEETINGS

We know this will be a busy National Conference as we deal with amendments to the *DISCIPLINE*, receive a report from the Covenant Implementation Team, and elect a bishop, in addition to our normal times of prayer and worship (and that's what we know about now!). ## News from Benefits Corporation

Thanks to everyone who has returned the Worker's Compensation audit forms in a timely manner. The return rate this year is very good. It is important that we receive all the salary information to obtain an accurate worker's compensation billing. Missing information will be estimated and most likely estimated higher than actual, resulting in a higher bill. Please help yourself and other EC Churches by returning the Worker's Compensation audit forms.

The annual disability premium was due January 15 and the Benefit Corporation administrative fee is due by April 15, 2015, retirees are not subject to the administrative fee. Both of these fees are listed in the Treas-

urer's Guide available on the EC website ([www.eccenter.com](http://www.eccenter.com)). Many have remitted the disability fee in a timely manner and a few have submitted the administrative fee and we thank you for your diligence and hard work.

Treasurers please begin using the 2015 Ministry Fund forms for January offerings. Offerings collected in December 2014 should be remitted on the 2014 Ministry Fun forms.

As always please contact Dave King, Benefits Administrator ([dking@eccenter.com](mailto:dking@eccenter.com)) or Kevin Henry, Controller, with any questions or problems ([khenry@eccenter.com](mailto:khenry@eccenter.com))

## News from Evangelical Seminary

After a very busy Winter 2015 session, the Spring 2015 semester began in late January.

In January we observed the one-year anniversary of the death of Distinguished Professor of Old Testament, Dr. David A. Dorsey by announcing our intent to re-name, re-locate, and re-fund the Museum. At the suggestion of Dr. Al Pense, the museum will now be known as the David A. Dorsey Museum of Biblical Archeology. Along with the Rostad Library, it will be housed in the Alan and Muriel Pense Learning Resource Center. For more information, contact Dr. Ken Nafziger at [knafziger@evangelical.edu](mailto:knafziger@evangelical.edu).

Please pray for our students who are on leave of absence (LOA) this semester. Reasons for needing this break in the educational career include health, family, and/or financial issues. Please ask the Lord for resolution so that they may continue to prepare for the ministry to which God has called them.
