**Jamie & Anita Farr, Orlando, FL;  
Wycliffe Bible Translators**

Most recently, Jamie served as Vice President for Planning, Staffing and Development. His role has increased in the last couple of months. He leads a national team responsible for engaging with global partners to determine the workforce needs in the future for each area of the world. Collaboratively they identify the needs, the likely future scenarios, and prayerfully consider how to invite the global church to participate

together. The various teams recruit, invite, assess, place, and develop sufficient numbers of Godly people for Bible translation roles. Both Jamie and his wife, Anita, have a breadth of experience in education, training and leadership in various contexts. Their mission statement as a family is to *accelerate the return of Christ*.

**EC Church of Liberia**

**Rev. G. Abraham Powell, Bishop**

The EC Church of Liberia is directly involved with restoration efforts inside Liberia. In fact, the Global Ministries Community has had works in Liberia since the 1950's. Thirty-six EC churches have remained resolute, even through the destruction of the war-torn years. There are currently more than 9,000 members in the EC Church of Liberia and the numbers are growing

every day. A new chapter in the life of the EC Church of Liberia began in January 2016 with the first election to choose the next leader of the Church. The elected leader is Rev. G. Abraham Powell. He currently is serving a six year term and can serve up to 2 terms. The EC Church of Liberia continues to train and disciple Christ-followers who are sent out to "depopulate the kingdom of darkness."

minister to others. Brenda is also involved in a ministry to women in the federal prison. Ron and Brenda are also part of the leadership team of the church they helped plant in Camarma, Madrid. ECMI is currently working in 18 countries in Europe, with approximately 200 workers and partners from 20 countries around the world. They operate in partnership with supporting churches, like-minded organizations, and local denominations.
