Jonathan & Kathy Wilson - Wycliffe, Papua New Guinea

Jonathan and Kathy headed to Papua New Guinea (PNG) with their 4 month old son in August 1990. Their two daughters were born in PNG. They've now spent 30 years working as missionaries among the Binandere people group of 10,500 in Oro province, PNG.

The Binandere language group has 35% of the New Testament now in print and they are looking forward to publishing another 35% of the New Testament in the very near future. Jonathan and his village co-translators have translated over 80% of the Binandere New Testament to date. Kathy conducts literacy classes/Bible studies for ladies and teen girls during times in the remote village of Nindewari. It is thrilling to hear the Binandere people reading God's Word in the language that they understand best - their very own mother tongue!

*Thank you to these missionaries for serving
The Lord and His people.*

Joseph & Wendy Toy - Open Air Ministries

Joe's ministry is primarily evangelistic by nature. Outreach is conducted at bus stops, subways, college campuses, center cities, parades, events, neighborhoods, parks and other areas in and around the Raleigh, NC area. Before a recent move to North Carolina, Open Air Ministries was prevalent in the Philadelphia, PA area, including outreach in inner city neighborhoods with children, and Joe was a co-pastor for Metro Kids, an outdoor kid's church in various locations in Philadelphia from 2007 to 2011. Today, Joe does weekly outreach in the Raleigh area, and during the school year outreach is also conducted on various college campuses. Many times a year Joe travels to national events such as Mardi Gras, Indy 500, Spring Break Florida, Senior Week in Ocean City, MD, and others, to share the gospel. Another large part of Joe's work is training others in evangelism. Joe spends a number of weeks each year training youth groups, college students, missionary candidates and others in evangelism.

Again he said, "Peace be with you.
As the Father has sent me,
so I am sending you."

BJ & Rachel Whitaker - ECMI*, Spain

In 2005 God clearly confirmed His call on BJ's and Rachel's lives to share Jesus' love in Spain. They arrived on the field in 2009. From 2010 to 2020, they served as pioneer church planters in the town of Alcora. At the same time BJ was working to help the different churches of Castellón develop a united vision to reach the province together.

In 2020, God led them to move to the town of Mecor near Madrid, where they are helping in outreach and church planting efforts, as well as engaging in other ministries. Rachel is involved in TCK (Third Culture Kid) ministry with ECMI and beyond. BJ is part of the ECM Spain field leadership team, while also working to develop a men's ministry (using Wild at Heart's materials and approach) that would help men become truly alive in Christ and reflect the image of God more fully.
